DOUGLAS FIRE DEPARTMENT AND NFPA ISSUES FIRE SAFETY TIPS FOR CHILDREN

With cooler weather approaching and fun, fall activities taking place, the Douglas Fire Department would like to remind parents and children of some fire safety tips. Young children, preschool age and kindergartners, are more likely to start fires by playing with matches or lighters. Parents should educate young children because young children are naturally curious about fire. Young children who start fires by playing with matches and/or lighters are more likely to die in the fire. Young children are more likely to start fires inside the home, while teenagers are more likely to start a fire outside.

THE CITY OF DOUGLAS IS PARTICIPATING IN THE 2016 MAYORS' CHRISTMAS MOTORCADE

The City of Douglas will be doing its part to make the holiday season special for residents of Georgia's hospitals serving persons with developmental disabilities and behavioral health needs. Donated items from the City of Douglas will be delivered to Georgia Regional Hospital in Savannah on December 7, 2016. Civic organizations, businesses, churches, schools, scout troops and individual citizens are encouraged to help with the collection of gifts for the Mayors' Christmas Motorcade. For more information on how groups can participate, please call Kristi L. Morgan at (912) 389-3401 or kmorgan@cityofdouglas.com.

What Is The Mayors' Christmas Motorcade?

GMA began the Mayors' Christmas Motorcade in 1959 at the request of Betty Vandiver, wife of then-Governor Ernest Vandiver, as a way of providing holiday gifts for the patients of Georgia's mental health and retardation hospitals.

Originally established to provide gifts to clients at Central State Hospital in Milledgeville, the program was expanded in the 1980's to support state regional hospitals.

Without the Mayors' Christmas Motorcade, many of the clients would not receive a gift for the holidays. The Christmas spirit demonstrated by cities during the Motorcade extends beyond the holiday season. Any gifts not handed out during Christmas are used for client birthdays or given to newly arrived clients, who may need basic items. In this way, cities help the hospitals celebrate special occasions year-round and help the hospitals meet the needs of their clients.

From Phil Best – Mayor Dublin, Statewide Chair

"Cities in Georgia have supported this holiday tradition for more than 50 years because when you see the good you're doing and the difference you are making in people's lives, it is a truly moving experience. I encourage every city to participate in the Motorcade and experience for themselves the joy and community this program creates. These gifts may be the only ones the clients receive, but city officials also receive the gift of knowing they've made a difference in someone's life."

How Can Your City Help?

1. Identify a program coordinator, such as the fire department, police department or civic organization to coordinate this effort. Businesses, churches and civic groups in your city can participate.
2. Organize your fundraising activities early in the year to maximize exposure.
3. Share the news! GMA has provided you with press releases for your local media. Post your information at city hall or mail with utility bills. You can even post it on the city's Facebook page or tweet the message to let everyone know where the gift drop-location (city hall/fire station/etc.) will be.
4. Each hospital sets a time and day in early December for their event, which is when the gifts are delivered. This is a special occasion for both event participants and clients by serving refreshments and providing entertainment.

Christmas Wish List and Helpful Hints

All gifts should be new and unwrapped. No glass containers or objects with sharp edges, metal or strings.
